To whom it may concern:

I am taking this opportunity To express my gratitude for the hand work performed on the part of ALEX GOGOL and Joe Labrunda with regards to my recent insurance claim which was handled successfully by miss GOGOL and MR. LABRUNDA. I would heartily recommend the Greenspan Co. to any one in need of help as a result of a fire or any other tragedy requiring claim a adjustment. Thank you and your company for obtaining a settlement that was fair and proper.

Regards
