Gentlemen:

I wish to take this opportunity to thank you and your entire staff for the efficient and professional manner you assisted us in processing our fire loss claim.

Undoubtedly, it was your guidance and assistance that enabled Injectron Corporation to recover the maximum amounts under our policies.

Your thorough review and interpretation of our policies, costs and potential continuing costs allowed us to recover damages that we would not have otherwise been able to identify.

I again thank you and commend you for a job well done.

Very truly yours,
